### **A Message from Our New President:**

Community - a definition - a feeling of fellowship with others, as a result of sharing common attitudes, interests, goals and locations. A key word here is fellowship. We all made a common decision by purchasing property in the Maple Beach Subdivision. What we don't currently have is a true sense of community, we are divided. I am hoping that by saying this and bringing it to everyone's attention that I am aware of the issue, that we can work together to fix the issues and become a "community". Am I saying we all need to agree on everything, absolutely not, but we need to keep finding common ground to move forward. I am looking forward to meeting many of you at our upcoming meeting on June 4<sup>th</sup>, and I hope to see a great turnout for our family friendly events coming up this summer like the movie night, and bags tournaments.
